Sir !

On the 7th of last month a petition was sent to you about the conspiracy going on against our **Mudra Agriculture & Skill Development Multistate Co-operative Society Limited**. Dairy No.156480/CR/2021. As we were getting ready to participate in the National Co-operation Week to be held from the 14th to the 20th of this month at the call of the Hon'ble Union Minister for Co-operation, Shri Amit Shah, the Telangana State Police raided and besieged our Society offices in Hyderabad. Crores of rupees were stolen along with valuable documents. Therefore, in connection with the petition filed last month, it was requested to take action against the 63 persons mentioned in it as well as the Hyderabad City Police Commissioner Shri Anjanikumar. I was in hiding for fear that the police would encounter me. Similarly we also requested to you sir issue orders to the Hyderabad City Police Commissioner to open our offices.

**Note:** Recently, a letter written by Union Minister Shri Amit Shah praising our services has also been attached.

Yours faithfully,

**T. RAMADASAPPA NAIDU**  
Chairman, MASDMSCS
